Dear Mr. Ambassador

The Polish Ex-Servicemen's Association in Australia expresses strong protest and indignation at the Russian attack on the free and democratic country of Ukraine.

We call for an immediate cessation of hostilities in Ukraine and demand that the sovereignty and territorial integrity of the Ukrainian country be respected.

Every war is a black card in human history and is a humanitarian catastrophe that leads to pain and suffering, so we think that brutal resolution of political conflicts is a crime against humanity, and that is why we express solidarity with the Ukrainian people in these difficult times.

On behalf of the Polish Ex-Servicemen's in Australia

Yours sincerely

Jan Tkaczyk  
President
